Please be mindful of the wind conditions, when you are burning.

APRIL 2023

LA HAVE

Red Pumper

FIREFIGHTER 50/50

We purchased four new breathing apparatuses with assistance from the funds raised from the 50/50.
Thank you for your continued support.
You can purchase tickets online weekly at
www.firefighters5050.com/108

OPEN POSITIONS

The Department is accepting nominations for the positions of Treasurer, two Community Representatives and Hall Rental Coordinator. You do not have to be a serving member in the Department to fill these positions.
For more information please e-mail chief@lahavefire.ca or call 902.523.2566.

POWER STORAGE & SOLAR PANELS

Do you have a power storage or a solar panel? It is best that the fire department know about these for our pre-planning in case of an emergency.

PRE-PLANNING

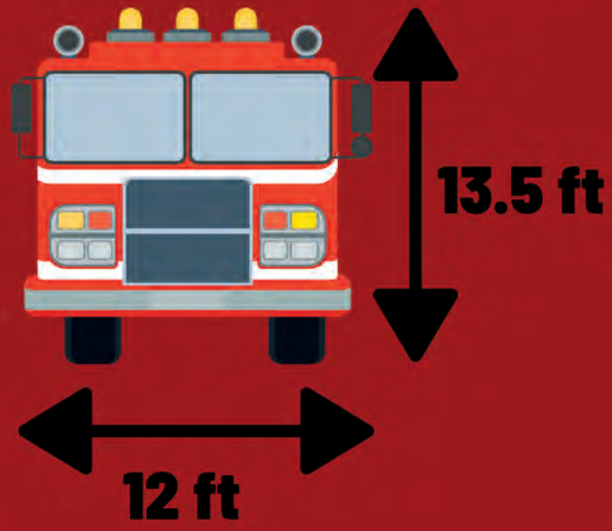
Pre-planning is a quick walk through, mapping out the floor plan of your home noting the location of the solar panels and power storage.
Please contact Savannah 902.527.7593
To set up your pre-planning visit.

CHIEF'S MESSAGE

We are getting excited to welcome our new fire trucks to our fleet. The first one may arrive late spring the other one still has an undetermined arrival date.

METAL ROOF

Do you have a metal roof on your home? Check out this little addition that allows access to the chimney.

DRIVEWAY CLEARANCE


Ensure your driveway has adequate height and width clearance from trees and limbs for large emergency vehicles
